

OUR OCCUPATIONAL HEALTH AND SAFETY POLICY

Our company, operating in the field of **“Industrial Automation Systems and Special Machine Manufacturing,”** has established its policy in line with the following principles to maximize the Occupational Health and Safety Management System in accordance with the purpose and context of the organization:

- Complying with all applicable legal and other requirements related to Occupational Health and Safety,
- Preventing hazards and identifying and reducing risks within the scope of Occupational Health and Safety,
Providing a safe and healthy working environment to prevent work-related accidents, health deterioration, and injuries,
- Increasing the awareness of and cooperating with the contractors and manufacturers we work with to reduce hazards and risks in the work they carry out,
- Ensuring the consultation and participation of all employees in Occupational Health and Safety activities,
- Educating all our employees on Occupational Health and Safety to promote OHS awareness,
- Continuously improving Occupational Health and Safety performance,

We hereby commit to these principles.

General Manager
